Clerk and Recorder

Ballot Type: PO-RFP

To vote for a named candidate, or for or against a ballot measure, completely fill in the oval to the right of your choice. Use blue or black ink.

To make a correction in a race with more than one candidate, draw a bold line through the oval and candidate name marked by mistake, then fill in the oval next to the correct name. If you voted for the only candidate in a race and want to withdraw that vote, you must request a replacement ballot.

WARNING: Any person who, by use of force or other means, unduly influences an eligible elector to vote in any particular manner or to refrain from voting, or who falsely makes, alters, forges, or counterfeits any mail ballot before or after it has been cast, or who destroys, defaces, mutilates, or tampers with a ballot is subject, upon conviction, to imprisonment, or to a fine, or both. Section 1-7.5-107(3)(b), C.R.S.

Ballot Measures

Ballot questions referred by the general assembly or any political subdivision are listed by letter, and ballot questions initiated by the people are listed numerically. A ballot question listed as an "amendment" proposes a change to the Colorado constitution, and a ballot question listed as a "proposition" proposes a change to the Colorado Revised Statutes. A "yes/for" vote on any ballot question is a vote in favor of changing current law or existing circumstances, and a "no/against" vote on any ballot question is a vote against changing current law or existing circumstances.
