CORE Act/NCA Discussion

On April 15, 2019 the Dolores County Commissioners wrote a letter in response to a flyer received in regards to the CORE Act Bill. The BOCC were opposed to the CORE Act Bill in accordance with the details stated within the flyer. A hurried response was given due to the allotted time from the requester. After release of the letter, the BOCC had many conversations with numerous other county and state entities and representatives educating them on the CORE Act Bill. The BOCC were given many factual details of the time and research that had gone into the four part multi-use public lands designations that make up the CORE Act. Upon receiving the information, the BOCC strongly felt that a retraction letter was necessary as well as a meeting to discuss and be further educated by the meetings attendees.

Commissioner Garchar made a motion to approve and sign the letter of retraction.
Commissioner Kibel seconded the motion.
All three Commissioners voted in favor of the motion.

Commissioner Cook adjourned the meeting.
