

**Dolores County Senior Services Request for Proposal Project No. DC-2017-01
ADDENDUM NO. 1**

DATE: April 10, 2017
ORIGINAL IFB PROJECT NO: DC-2017-01
PROJECT TITLE: One Light Duty ADA Accessible Cutaway Vehicle

This Addendum is a formal addition to the Dolores County Senior Services (DCSS) Request for Proposal (RFP), Project No. DC-2017-01, dated March 13, 2017.

I. Inquiries from Vendors/Manufacturers and DCSS Responses

Eleven (11) inquiry or clarification requests regarding the specification details or solicitation/contract requirements were received by 5:00 p.m. MDT on March 27, 2017 for the Light Duty ADA Accessible Cutaway RFP, Project No. DC-2017-01.

The list of inquiries or clarifications, along with DCSS responses, are provided on pages 2-3 of this addendum.

II. Specification Modifications

As a result of the inquiry and clarification responses, three specification section revisions have been made on pages 52, 53, and 68. Omitted information has a strikethrough in the text. All revised or added language is in blue font. The revised specification document is provided as an attachment to this addendum and should be referenced as part of the proposal submission.

III. Submission Deadline

Even though DCSS submitted this response on April 10 instead of April 3, the proposal submission deadline has not changed. Submissions are still due Friday April 28, 2017 by 5:00pm MDT.

DCSS Request for Proposal DC-2017-01 Inquiries & Clarifications Responses - April 10, 2017			
	RFP Reference	Clarification or Inquiry	DCSS Response
1.	General	Please clarify if this RFP allows more than one brand of bus to be offered by each vendor.	More than one brand can be offered by each dealer proposer.
2.	Page 52 Paragraph C. Driver's Seating	Please accept Freedman Shield driver's seat with Adnik power seat base as approved equal. This combination meets the requirement of the specification.	OEM is preferred but alternate models that meet the specification are acceptable.
3.	Page 52 - 3.13.B.8 & 9 SEATING	CLARIFICATION: FREEDMAN CHARGING PLUGS CAN NOT BE INSTALLED ON 3-STEP FOLDAWAY SEAT FRAMES. THERE ARE FIVE FIXED DOUBLE SEATS IN THE BUS. PLEASE RESTATE WHERE DUAL 12-VOLT CHARGING PLUS ARE REQUIRED AS THERE IS NOT MIDDLE ROW OF SEATS IN THE BUS AND RESTATE WHERE USB CHARGING PORTS ARE REQUIRED. SPEC IS NOT CLEAR	The goal is to obtain four total (two each side) 12 volt charging locations and four total (two each side) USB ports in the bus. DCSS will work with the winning proposer on locations for the charging stations and ports after award. The specification has been modified to reflect this change.
4.	Page 53 Paragraph C. Floor and Floor Covering	Please accept Altro Transflor Meta floor covering or Gerflor Sirius NT floor covering as approved equal. Both products deliver sustained slip resistance in both wet and dry conditions.	There is to be smooth flooring under the passenger seats and ribbed flooring in the aisle and steps. DCSS will accept another manufacturer besides RCA if it meets the base specification.
5.	Page 53 - 3.14.C FLOOR COVERING	CLARIFICATION: PLEASE SPECIFY IF FLOOR COLOR IS TO BE BLACK OR GRAY	The color of the floor can be whatever is needed to meet the base specification.

6.	Page 53 - 3.14.C FLOOR COVERING	CLARIFICATION: PLEASE ACCEPT RCA TYPE RIBBED RUBBER STEP TREADS AND RISERS. THIS ITEM CALLS FOR RIBBED STEP TREADS WHICH ARE NOT ONE PIECE BUT THE LAST SENTENCE STATES THAT THE STEP EDGE AND TREAD HAVE TO BE BONDED TOGETHER. THIS IS AN ALTRO STYLE STEP COVERING.	RCA is acceptable. Bonded together is not required and the specification has been modified.
7.	Page 53 - 3.14.C FLOOR COVERING	CLARIFICATION: PLEASE ACCEPT RCA STYLE FULL WIDTH YELLOW STEP NOSING IF THE REST OF THE STEP MATERIAL IS ALSO TO BE RCA STYLE RIBBED RUBBER	RCA style is acceptable.
8.	Page 55 Paragraph A. Front Entrance Door	Please clarify if the exterior weatherproof door switch is to be a toggle switch or key activated switch.	Key activated is preferred.
9.	Page 61 - 3.20.E FINISH AND COLOR	CLARIFICATION: PLEASE SPECIFY IN DETAIL WHAT PARTS OF THE DESIGN SHOWN IN ATTACHMENT 1 ARE TO BE PAINT AND WHICH ARE TO BE VINYL GRAPHICS	The manufacturer and/or dealer is to provide a recommendation in the proposal documents.
10.	Page 63 Paragraph A. Wheelchair Lift	Please accept the Braun Century NCL1000 3454HB-2 wheelchair lift as approved equal. This lift has a 1,000 lb. capacity and 34"x 54" solid (non-folding) lift platform.	Not accepted.
11.	Page 68 Paragraph B. Body Manufacturer Warranty	Please clarify if the 3 year or 100,000 mile body manufacturer's warranty is for body structure failures only or is this intended to cover all body conversion components.	Body structure failure only. Specification has been modified to minimum 5 years or 70,000 miles. Body conversion can be manufacturer's standard, copy to be included in proposal.
